That would be fine, what's the address?

My mobile is [REDACTED] just in case

> Arthur, hi

>

> I've been helping the Telegram team get in contact with a few people in the crypto world - historically most of their relationships have been in Europe, the US and Russia, and they're interested in connecting with more people in Asia. I don't think we've met, I hope you don't mind my cold-emailing you like this.

>

> They're keen to establish relationships with potential investors in their ICO and to discuss areas of potential cooperation with important players in the ecosystem - the second round of the ICO is basically done and they're not planning to raise any more for several months, so for now the focus is more on potential cooperation.

>

> As background, I'm not part of the Telegram team, but I've been working closely with a former colleague who's running the process to help them in Asia. If it'd be helpful, I can get someone at Telegram to confirm this if it'd be helpful. This is my LinkedIn <https://www.linkedin.com/in/kennethmorton/>

>

> If you're in HK in the next week or so, perhaps we could get a coffee or something so I can briefly introduce myself and give you a bit more info on their plans and we could see if there are any areas for cooperation?
